## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees  
Bone Health and Osteoporosis Foundation

### Opinion

We have audited the accompanying financial statements of the Bone Health and Osteoporosis Foundation (the Foundation), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Bone Health and Osteoporosis Foundation as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

We have previously audited the financial statements of the Foundation as of and for the year ended December 31, 2020, and we expressed an unmodified audit opinion on those financial statements in our report dated DATE. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

# BONE HEALTH AND OSTEOPOROSIS FOUNDATION

## NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

### NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Organization** - The Bone Health and Osteoporosis Foundation (Foundation), a nonprofit organization and formerly the National Osteoporosis Foundation, is America's only national nonprofit, voluntary health organization dedicated to reducing the widespread prevalence of osteoporosis. Established in 1984, the Bone Health and Osteoporosis Foundation is the nation's leading health organization dedicated to promoting strong bones for life, preventing osteoporosis and broken bones, and reducing human suffering through programs of awareness, education, advocacy, and research. The Foundation is supported primarily by grants and contributions from foundations, corporations, individuals, and fundraising events.

**Basis of Accounting** - The Foundation prepares its financial statements on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

**Financial Statement Presentation** - Financial statement presentation follows the recommendations of U.S. generally accepted accounting principles in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), *Not-for-Profit Entities - Presentation of Financial Statements*. Under those principles, the Foundation is required to report information regarding its financial position and activities according to two classes of net assets - net assets without donor restrictions and net assets with donor restrictions.

**Classification of Net Assets** - The net assets of the Foundation are reported as follows:

**Without Donor Restrictions** represent operating net assets which are available for the general operations of the Foundation as net assets without donor restrictions, as well as Board-designated net assets set aside for future use.

**With Donor Restrictions** represent gifts of cash and other restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends, or a purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

## NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**Cash and Cash Equivalents** - The Foundation considers all highly liquid investments with an original maturity of three months or less, when purchased, to be cash equivalents. As of December 31, 2021, cash consists of six checking accounts and one money market account.

**Accounts Receivable** - Receivables are stated at the amount management expects to collect from balances outstanding at year end. Accounts receivable are considered past due 30 days from invoice date. Management closely monitors outstanding balances and writes off balances that are deemed uncollectible, if any. As management has deemed all receivables to be collectible as of the fiscal year end date, no allowance for doubtful accounts has been recorded.

**Investments** - Investments consist of fixed income mutual funds and equity mutual funds. Investments are reflected in the financial statements at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade date basis. Investment income is recorded in the statement of activities on the accrual basis and net of all external and direct internal investment expenses and as an increase in without donor restrictions net assets, unless restricted by donor or law. Dividends are recorded on the ex-dividend date. Unrealized gains (losses) resulting from increases (decreases) in fair value of securities held as well as the net realized gains and (losses) arising from sales of securities are included in investment income. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Accordingly, it is at least reasonably possible that changes in investment values will occur in the near term, and such changes could affect balances and amounts reported in the accompanying statements of financial position.

**Inventory** - Inventory consists of publications, videos and accessories and is stated at the lower of cost and net realizable value.

**Property** - Property is recorded at cost, or if donated, at the fair value on the date of the donation and is depreciated on a straight-line basis over the estimated useful lives of the respective assets. The Foundation capitalizes all fixed assets with a purchase price of \$1,000 or greater. The Foundation capitalizes website development costs incurred during the application stage of development. Depreciation and amortization on property is computed using the following estimated useful lives: furniture and fixtures, 5-7 years; office equipment, 3-5 years; website development and computer software costs, 3 years. When assets are retired or sold, any gain or loss arising from such disposition is included as income or expense. Expenditures for repairs and maintenance are expensed as incurred. The depreciation and amortization expense for the years ended December 31, 2021 and 2020 was \$2,444 and \$3,916, respectively.

**NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Revenue Recognition** - Revenue is derived from both exchange transactions and contribution transactions. Revenue from exchange transactions is recognized when control of promised goods or services is transferred from the Foundation's members and customers, in an amount that reflects the consideration we expect to be entitled to in exchange for those goods or services. Except for goods and services provided in connection with membership dues, which are transferred over the period of membership, all goods and services are transferred at a point in time. Payments are generally required in advance and are reported as deferred revenue until the related revenue is recognized.

Unconditional contributions are recognized upon receipt of cash or other assets, or when a donor promises to transfer cash or other assets in the future. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return or release, are not recognized until the conditions on which they depend have been substantially met.

*Membership Dues* - Membership dues entitle members to a bundle of goods and services that are considered a single performance obligation and the related revenue is recognized ratably over the membership period. Membership dues payments are required in advance and amounts not yet recognized as revenue are deferred to the applicable membership period.

Bequests are recorded as legacies and bequests revenue upon death after the probate courts declare the wills to be valid and the proceeds are measurable.

Events revenue and registration fees are recognized in the year in which the related events or conferences are held. Amounts other than donations, collected for future events, are classified as deferred revenue in the accompanying statements of financial position.

Royalty income is recognized on an accrual basis in accordance with the substance of the agreement.

**Grants and contributions** - The Foundation reports grants and contributions as net assets with donor restrictions if they are received with donor or grantor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. When a donor restriction is fulfilled in the same year as the contribution is received, the contribution is recognized as without donor restricted support. Unconditional grants and contributions that have been promised but not yet received are reflected as contributions receivable in the accompanying statements of financial position.

## NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**Donated Services and Materials** - Contributions of donated noncash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance non-financial assets or that are provided by individuals possessing specialized skills are recorded at fair value in the period received if such services would typically be purchased if not provided by donation.

**Functional Allocation of Expenses** - The costs of providing various programs and other activities have been summarized on a functional basis in the accompanying statements of activities and functional expenses. Accordingly, certain costs, including salaries, employee benefits, payroll taxes, professional fees, travel, equipment maintenance, office expense, publications, printing, and occupancy have been allocated among the programs, general and administrative and fundraising costs based on time expended or space occupied.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Summarized Comparative Financial Information** - The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended December 31, 2020, from which the summarized information was derived.

**Income Taxes** - The Foundation is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Foundation has filed for and received income tax exemptions in the various jurisdictions where it is required to do so. The Foundation files the Federal Form 990 tax return in the U.S. Federal jurisdiction and various states. As of December 31, 2021, the statute of limitation for tax years 2018 through 2020 remains open with the U.S. Federal jurisdiction and various states.

In accounting for uncertainty in income taxes, accounting standards require an entity to recognize the financial statement impact of a tax position when it is more-likely-than-not that the position will not be sustained upon examination. Management evaluated the Foundation's tax positions and concluded that the Foundation has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance.

## NOTE 2. LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES

The Foundation maintains a liquid cash balance in checking and money market accounts in an amount necessary to meet its anticipated expenditures for at least the next 30 days. Cash in excess of this amount is invested in short-term investments.

The Foundation has secured a line of credit of up to \$500,000 to help manage cash flow. There was no borrowing during the year ended December 31, 2021. The line of credit expires August 22, 2023.

The Foundation reconciles the balance of financial assets subject to donor restrictions monthly, based on restricted amounts used and received. Restricted cash and investments are separately identified and monitored as part of the Foundation's monthly financial reporting process.

The Foundation's financial assets available within one year to meet cash needs for general expenditures through December 31, 2021 and 2020 are as follows:

	<u>2021</u>	<u>2020</u>
Total assets at end of year	\$ 8,108,231	\$ 6,751,089
Less non financial assets		
Prepaid expenses	(92,117)	(68,004)
Property and equipment, at cost, net	(5,151)	(6,977)
Inventory	<u>(77,583)</u>	<u>(82,039)</u>
Total financial assets at year end	7,933,380	6,594,069
Less amounts not available to meet general expenditures coming due within one year		
Investment held to fund charitable gift annuities	(510,652)	(377,720)
Purpose restricted net assets	(1,113,358)	(1,116,355)
Endowment invested in perpetuity	<u>(268,080)</u>	<u>(180,012)</u>
Financial assets available within one year to meet cash needs for general expenditures within one year	<u>\$ 6,041,290</u>	<u>\$ 4,919,982</u>

## NOTE 3. CONTRACT BALANCES

The timing of billings, cash collections, and revenue recognition result in contract assets and contract liabilities associated with revenue from exchange transactions. Contract assets consist entirely of trade accounts receivable, which are recognized only to the extent it is probable that we will collect substantially all of the consideration to which we are entitled in exchange for the goods or services that will be or have been transferred. Contract liabilities consist entirely of deferred revenue that results when we receive advance payments from the Foundation's members and customers before revenue is recognized.

### NOTE 3. CONTRACT BALANCES (CONTINUED)

Balances in these accounts as of the beginning and end of the years ended December 31, 2021 and 2020 are as follows.

	2021	2020	2019
Accounts receivable			
Contributions and bequests receivable	\$ 30,497	\$ 129,276	\$ 89,668
	2021	2020	2019
Deferred revenue			
Royalties	\$ -	\$ -	\$ 100,000
Deferred revenue	1,382,114	1,152,832	1,241,436
	\$ 1,382,114	\$ 1,152,832	\$ 1,341,436

### NOTE 4. CONTRIBUTIONS AND BEQUESTS RECEIVABLE

Contributions receivable represent amounts due from corporations, individuals, and bequests, and are scheduled to be received as of December 31, 2021 and 2020, respectively, as follows:

	2021	2020
Less than one year	\$ 30,497	\$ 129,276
One to five years	-	-
	\$ 30,497	\$ 129,276

Management has evaluated outstanding contributions receivable and has deemed all amounts to be fully collectible.

### NOTE 5. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.

Level 2 Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

## NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in methodologies used at December 31, 2021.

*Mutual funds:* Traded in active markets on the national and international securities exchanges and are valued at closing prices on the last business day of each period.

*Obligations under charitable gift annuities:* Recorded at present value of future cash flows expected to be paid to the donor. These liabilities are adjusted during the term of the annuities for payments and change in life expectancies.

The following tables set forth by level, within the fair value hierarchy, the Foundation's assets and liabilities at fair value as of December 31, 2021 and 2020:

Description	2021			
	Total	Quoted Market Prices for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 4,189,517	\$ 4,189,517	\$ -	\$ -
Obligations under charitable gift annuities	\$ 194,672	\$ -	\$ 194,672	\$ -

  

Description	2020			
	Total	Quoted Market Prices for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 3,670,241	\$ 3,670,241	\$ -	\$ -
Obligations under charitable gift annuities	\$ 90,740	\$ -	\$ 90,740	\$ -

## NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Net investment income consisted of the following for the years ended December 31:

	2021	2020
Interest and dividends	\$ 218,601	\$ 123,571
Net realized and unrealized gains	267,847	318,678
Investment management fees	(25,004)	(18,084)
	<u>\$ 461,444</u>	<u>\$ 424,165</u>

## NOTE 6. LINE OF CREDIT

The Foundation entered into a line of credit agreement with a financial institution for \$1,000,000, the proceeds of which were to be used to meet working capital requirements of the Foundation. The line of credit matured on October 26, 2020. During December 2020, the Foundation entered into a new line of credit agreement with a financial institution for \$500,000, with an interest rate of four percent and matures in August 2023. As of December 31, 2021 and 2020, the outstanding balance was zero.

## NOTE 7. CHARITABLE GIFT ANNUITY

The Foundation administers various charitable remainder trusts. A charitable remainder trust provides for the payment of distributions to the grantor or other designated beneficiaries over the trust's term (usually the designated beneficiary's lifetime). At the end of the trust's terms, the remaining assets are available for the Foundation's use. The portion of the trust attributable to the present value of the future benefits to be received by the Foundation is recorded as contributions with donor restrictions contribution in the period the trust is established. Assets held in the charitable remainder trusts totaled \$510,652 and \$377,720 at December 31, 2021 and 2020, respectively, and are included in investments and reported at fair value in the Foundation's statements of financial position. On an annual basis, the Foundation revalues the liability to make distributions to the designated beneficiaries based on actuarial assumptions. The present value of the estimated future payments amounted to \$194,672 and \$90,740 as of December 31, 2021 and 2020, respectively, and is calculated using a discount rate commensurate with the risks involved. This liability is included in the accompanying statements of financial position.

## NOTE 8. DEFERRED REVENUE

The Foundation is the recipient of some grants. The revenue is recognized on a pro-rata basis over the term of the grant agreements. The unearned portion is recorded as deferred revenue in the statements of financial position. Deferred revenue as of December 31, 2021 and 2020 are as follows:

	2021	2020
Grants	<u>\$ 1,382,114</u>	<u>\$ 1,152,832</u>

## NOTE 9. NET ASSETS WITH DONOR RESTRICTIONS

A summary of activity in net assets with donor restrictions for the years ended December 31, 2021 and 2020 are as follows:

Description	2021			
	Balance December 31, 2020	Support and Revenue	Net Assets Released From Expense	Balance December 31 2021
NBHA	\$ 66,242	\$ -	\$ (24)	\$ 66,218
Education	1,008,192	1,785,674	(1,719,237)	1,074,629
Research endowment	221,933	18,658	-	240,591
Total	<u>\$ 1,296,367</u>	<u>\$ 1,804,332</u>	<u>\$ (1,719,261)</u>	<u>\$ 1,381,438</u>

  

Description	1900			
	Balance December 31, 2019	Support and Revenue	Net Assets Released From Expense	Balance December 31 2020
NBHA	\$ 376,134	\$ -	\$ (309,892)	\$ 66,242
Education	1,129,667	1,260,601	(1,382,076)	1,008,192
Research endowment	221,933	9,857	(9,857)	221,933
Total	<u>\$ 1,727,734</u>	<u>\$ 1,270,458</u>	<u>\$ (1,701,825)</u>	<u>\$ 1,296,367</u>

The Foundation's endowment consists of donor-restricted endowment funds which are shown as net assets with donor restrictions in the accompanying financial statements. As of December 31, 2021, the Foundation's endowment totaled \$268,081. The income earned on these net assets is restricted by the donor. The Shou Mei Hu - Cecelia Wu Kojima Fund totaled \$80,012 and the restricted income is for medical and scientific research related to the prevention, cure, and/or treatment of osteoporosis. The Dr. Burton Spiller Fund for Bone Health Research totaled \$188,069 and restricted income for medical research regarding bone health and bone research grants.

**Interpretation of Relevant Law** - The Board of Trustees of the Foundation has interpreted the Uniform Prudent Management of Institutional Fund Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as restricted net assets (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The portion of the endowment funds that is required to be retained restricted, either by explicit donor stipulation or by UPMIFA is \$268,081 as of December 31, 2021 and 2020.

## NOTE 9. NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)

**Return Objectives and Spending Policy** - The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. The Foundation did not award any research grants from the endowment in 2021.

**Funds with Deficiencies** - From time to time, the fair value of assets associated with the endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. There were no such deficiencies as of December 31, 2021.

**Strategies Employed for Achieving Objectives** - The finance committee evaluates, selects, and monitors one or more investment managers to directly manage the Foundation's investment portfolio of assets within general guidelines provided.

## NOTE 10. COMMITMENTS AND CONTINGENCIES

**Office Lease** - On June 1, 2015, the Foundation entered into a new lease agreement for office space in Arlington, VA. The lease commenced on June 1, 2015 and will expire in May 2026. Under the terms of the lease, the base rent is subject to an annual increase of 2.5%. The entire amount due under the terms of the lease will be recognized in the financial statements pro-rata over the lease term. Amounts expensed in excess of actual cash payments required will be reflected as a deferred lease liability. As part of the lease agreement, the Foundation is required to maintain an irrevocable standby letter of credit in the amount of \$108,780.

Future minimum lease payments required under the lease are as follows:

2022	\$ 190,410
2023	195,170
2024	200,049
2025	205,051
2026	156,653
	<u>\$ 947,333</u>

Rent expense for the years ended December 31, 2021 and 2020 totaled \$182,695 and \$180,905, respectively.

## NOTE 11. ALLOCATION OF JOINT COSTS

The Foundation conducts activities that include requests for contributions as well as program and management and general components. Those activities include direct mail campaigns and special events. The costs of conducting those activities for the years ended December 31, 2021 and 2020 included joint costs which are not specifically attributable to particular components of the activities. These joint costs were allocated as follows:

	2021	2020
Fundraising	\$ 57,148	\$ 51,472
Program	26,061	62,133
Management and general	19,230	10,563
	<u>\$ 102,439</u>	<u>\$ 124,168</u>

## NOTE 12. UNINSURED CASH

The Foundation maintains its cash in various deposit accounts. The checking, sweep, and money market accounts are insured by the Federal Deposit Insurance Corporation and the Securities Investor Protector Corporation, respectively, up to \$250,000. The Foundation had approximately \$3,213,000 and \$2,505,000 of uninsured funds in its bank and investment accounts as of December 31, 2021 and 2020, respectively. The Foundation has not experienced any losses in its cash balances.

## NOTE 13. RETIREMENT PLANS

The Foundation sponsors a tax-deferred annuity plan covering employee working greater than 20 hours per week. All employees are eligible to participate immediately upon hire. After completion of three months of service, the Foundation will make a matching contribution equal to 4% of compensation for any eligible employee contributing at least 1%. Employee and employer contributions, plus any earnings, are 100% vested. The Foundation's total contribution to the plan for the years ended December 31, 2021 and 2020 was \$33,504 and \$22,190, respectively.

## NOTE 14. SUBSEQUENT EVENTS

Subsequent events have been evaluated through June 6, 2022, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
